NOTICE

Department of Registration and Stamps has defined a data policy and wants to adopt a Data Management Framework to undertake a strategic data driven transformation program and harness the benefits from data. The key objective of the policy is to initiate a data driven transformation program which would implement the framework by harnessing the potential of the department's legacy and future data assets.

In order to ensure that the Data policy is effective and meets its objectives and goal, I would like to request your feedback/ suggestions on the Data Policy. I am attaching the summary and detailed Data Policy for your reference.

You're requested to share your feedback through email ([pmu2@igrmaharashtra.gov.in](mailto:pmu2@igrmaharashtra.gov.in)) by 05<sup>th</sup> Oct 2021.

Looking forward for your response

(Shrvan Hardikar)  
Inspector General of Registration &  
Contoller of Stamps, M.S., Pune
